

Plano Youth Leadership

Learning Today, Leading Tomorrow

Dear Friend:

How often do you have the chance to make a lasting impact on the future of a young person in our community? Being a Plano Youth Leadership sponsor gives you just such an opportunity.

Founded in 1995, Plano Youth Leadership (PYL) is a 501(c) (3) organization dedicated to providing leadership training to 10th grade students in Plano. Each year, 30 students are selected to participate in the program. These students spend the school year going through a curriculum designed to broaden their leadership horizons, including:

- Developing team building skills and knowledge
- Learning about the similarities and differences in people
- Forming an awareness of the political and judicial processes of our government
- Discovering educational and business opportunities in our community
- Learning about volunteer opportunities and human services

At the end of the program, PYL participants have developed the awareness and confidence they need to succeed in leadership positions throughout the Plano community and to make a positive impact on its future.

PYL participants are selected in the spring of each year through a competitive application process. They must demonstrate an interest in acquiring leadership skills. The program seeks students who represent a cross section of Plano. In our effort to attract a more diverse student base, we offer scholarships to applicants in need of financial assistance.

How can you help? For the 2007-2008 year, PYL needs sponsors from businesses such as yours to help provide scholarships and defray the cost of our educational sessions and special events, such as our end of year graduation dinner. Several levels of sponsorship are available. In return for your support, your business will be listed on our website www.planoyouthleadership.org and in our promotional materials. And, most importantly, you will have the satisfaction of knowing you are helping to ensure the quality of Plano's future leaders.

Thank you for considering this important opportunity.

Sincerely,

Ann M. Boswell
President
